Svyatoslav Teofilovich Richter

The Eighth Sydney Spring is dedicated to the life achievements and memory of Svyatoslav Richter, who, more than any other performing artist of the 20th century defined and redefined the creative process for all artists of the era. - *To life, Slava.*

**Svyatoslav Richter** - monumental musician, wonderful friend; grand protector of art-music from those who built prisons to administer the creative spirit. Viva Slava! - *Roger Woodward*
